## **Travel Directions**

### **By car or taxi from the West End**

Because a number of the roads surrounding the restaurant have been closed, it's best to follow the route below. If you're coming by taxi, we suggest you give these directions to your driver.

From the Embankment, turn left at Blackfriars onto New Bridge Street, which becomes Farringdon Road.

Turn right at Smithfield Market and go under the Barbican Tunnel (Beech Street), which turns into Chiswell Street.

At Finsbury Square, turn right onto Finsbury Pavement, which becomes Moorgate.

Take the second left onto South Place, then left onto Wilson Street and right onto Sun Street, which turns into Appold Street.

Stop immediately after the intersection with Primrose Street on your right.

L'Anima is a few metres up Snowden Street, which is the pedestrian street on your left.

### **By car or taxi from the City**

Follow Bishopsgate until you pass the RBS building on your right, and then turn left onto Primrose Street.

At the end of Primrose Street, turn right onto Appold Street and stop immediately.

L'Anima is a few metres up Snowden Street, which is the pedestrian street on your left.

### **By tube or rail**

L'Anima is a five-minute walk from Liverpool Street station. The shortest route is through a shopping arcade that runs parallel to the mainline platforms, starting near the Central Line entrance and emerging on Primrose Street by the intersection with Appold Street. L'Anima is a few metres up Snowden Street, which is the pedestrian street diagonally across the intersection.
